

The American Legion and Team Johnson Motorsports are pleased to announce that The David Law Firm has joined The American Legion as an official co-sponsor of the #76 Freedom Car. The David Law Firm has helped countless veterans diagnosed with asbestos-related cancers, to get the compensation they deserve. Their monthly ad is featured on the inside back cover of The American Legion Magazine. With the addition of this co-sponsor, The American Legion Racing Team will be competing in the following ASA 2009 Challenge Series racing events. We look forward to seeing you at the track.

Be sure to share this schedule with your fellow "Legion Family" members so that everyone can enjoy and support the #76 Freedom Car.

Do you know The American Legion has a race car? Do you know why The American Legion has a race car?

NASCAR has over 75 million race fans, what a great marketing opportunity...with all the National Media exposure...this program will raise our fellow Americans awareness of; what The American Legion stands for, the important veteran programs we support, and help recruit the next generation of The American Legion family members.

The American Legion National Organization did not give the race team a big check like other companies to go racing. American Legion Posts across this country, and members of The American Legion "Family" just like YOU, provides most of the support for the "Freedom Car", and that's why we're asking you to join in our newest effort.

American Legion Racing, and its associate sponsor, The David Law Firm, is conducting "Operation Freedom Car". Through this unique effort, a much needed hygiene care product will be sent to our troops overseas. Our troops are in special need of this extremely concentrated product, because it is actually four products in one. This "4 in 1" product is a ...shampoo, conditioner, body wash and shave ... all in one convenient, travel size bottle. Where space is limited and convenience is at a premium, this product has proven to be very popular with the troops.

Our goal is to provide 5,000 cases of this popular product to our troops in 2009. Each case will contain twelve (12) travel size "4 in 1" bottles. Reaching our goal would mean that 60,000 troops received the "4 in 1" product. After learning of this product, a *medical unit* leader in Maryland was quoted saying;

"What a great idea! What a blessing for the wounded troops to be able to use... and the staff. Fewer bottles to lug around to the shower or bedside. I will forward this to the combat Marines overseas."

Here's how YOU and your LEGION POST, AUXILIARY UNIT OR SAL SQUADRON can help! For every \$100 donation... a case of (4in1) will be sent to our troops deployed to Iraq and/or Afghanistan....each shipment will contain a letter of appreciation, and a list of all the Posts, Units and Squadrons who support the "Freedom Car" mission. PLUS, any Post, Unit, Squadron or individual member that donates \$100 or more, will have their name displayed on the 2009 American Legion "Freedom Car", show car hood! FINALLY, every participating Post, Unit, Squadron or member will receive a Certificate (suitable for hanging), certifying them as an Honorary Associate Sponsor of The American Legion "Freedom Car". Just think how special the troops will feel, to see their "hometown" Post, Unit or Squadron on the list... and for the race fans to find your name on the 2009 show car hood. To be part of "Operation Freedom Car", simply fill-out the form below and thank you in advance for supporting our troops, through this GREAT effort!

Please make checks payable to:
 Team Johnson Motorsports
 P.O. Box 919
 Mooresville, NC 28115

Enclosed is my donation of:

\$100 \$250 \$500 Other \$
